Pool News: We are again looking forward to enjoying our pool and another great swim season at Black Oak Swim Club! We continue to work hard to keep our pool updated and well maintained. In 2018 we did not have any major capital improvements however we did replace umbrellas and chairs as needed. We continue to develop and prioritize future updates to keep our club the best in the area! Please consider volunteering to help keep our pool well maintained and running smoothly.

2019 Membership Cards: We will continue to use computerized check in. Cards issued last year will be reused. Replacement cards for the family will cost \$5.00. **You must have your membership card to enter the pool.** This will be strictly enforced following BOSC rules and regulations.

Babysitter pass: A babysitter pass is available for \$60.00. This pass is issued in the family's name and may be used by any **one** person (≥14yrs old) escorting your children to the pool. **A babysitter pass is not a valid membership card. It is only valid while accompanying a current member to the pool.**

Guest Passes can be ordered when you renew your membership. Ten guest passes can be purchased for \$40.00 (this is a \$10 discount off the gate price of \$5.00 per guest). The price will increase to \$5.00 per pass at the beginning of the season. With the membership software, the passes will be tracked electronically and can be viewed any time under your account. **You will not receive a physical guest pass. The passes are listed under your membership account.** You have the ability to purchase guest passes throughout the season if needed.

Grandchild Pass: A Grandchild pass is available for \$60/grandchild. This option is available for our senior and family members who take care of their grandchildren.
