Discipline Policy for All Members and Guests (Adults and children)

Appropriate behavior and attire is expected at all times from all members and their guests. BOSC is a family facility and will not tolerate any type of lewd, inappropriate behavior or attire. The manager has the authority to follow the policy below and remove anyone they feel is behaving in a manner that is a detriment to the well-being of others. The managers and lifeguards are the authority on matters of discipline. Their instructions **MUST BE FOLLOWED** or disciplinary action including the loss of BOSC privileges may result.

BOSC Management may enforce a 3-Offense Policy toward all members. The use of the 3-Offense Policy is at the discretion of BOSC Management.

1. The first offense will result in a verbal warning to the person (and/or parents if appropriate).
2. Should inappropriate behavior occur again, the manager or lifeguard will write up an incident/offense report and give to the member (or parent) as a second warning.
3. Should inappropriate behavior continue after the written warning, the individual will have their privilege of attending BOSC removed for a period of time determined by the manager in conjunction with the Board of Trustees.

The Manager, in conjunction with the Board of Trustees, reserves the right to discipline without regard to this three-offense policy, particularly in the matters of safety, disregarding authority, disturbing other members, harassment of members, guests, and staff or illegal actions such as vandalism, theft and excessive or underage drinking. All decisions made by the Board of Trustees are final.

The Board of Trustees authorizes the Manager or Assistant Manager on duty to suspend a member's membership privileges for a period not to exceed twenty-four (24) hours, in the event of a violation by a Member of the Organization's By-Laws or Operating Rules. The Manager may require any Member in violation of the Organization's By-Laws or Operating Rules to leave the Organization's premises for up to twenty-four (24) hours, in the Manager's reasonable discretion. After review of the Member's violation, the Manager and/or Personnel Director shall have the authority to suspend such Member's membership privileges for up to an additional seven (7) days. A written report of such suspension containing reasons thereof, shall be submitted to the President within twenty-four (24) hours of the event in question. The decision of the Manager is final with respect to such suspensions.

If the recommendation by the Manager is for suspension in excess of seven (7) days, a meeting of the Trustees will be called. The Trustees shall have the authority to suspend or permanently expel the Member for violation of the By-Laws and/or Operating Rules. Any Member has a right to address the Trustees at the meeting where such Member's suspension or expulsion is being considered. The Member must contact the President and request a time to address the Board of Trustees. Such meeting will occur at such time as the Trustees are available.
